

**REMARKS**

**NOTICE OF NON-COMPLIANT AMENDMENT**

A non-compliant amendment was filed in the present application on October 10, 2006 in response to a non-final Office Action. Specifically, claims 49 and 50 included the improper status identifier "previously presented and withdrawn." The status identifier for claims 49 and 50 has been corrected as shown in the foregoing listing of the claims, which was the only section of the amendment filed on October 10, 2006 to be non-compliant. In view of the foregoing correction, it is respectfully requested that the amendment filed on October 10, 2006 be entered and considered by the Examiner.

**CONCLUSION**

There being no further outstanding objections or rejections, the application is submitted as being in condition for allowance which action is earnestly solicited.

If there are any underpayments or overpayments of fees associated with the filing of this Amendment, please charge and/or credit the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS and HALSEY LLP
